Dear Parents and Carers

We are making a comprehensive list of permissions for your child in school, including general walking visits in the local community, photo and web permission. Please note if your child is allowed to ride their bike/scooter to school it must be stored on the racks provided and not ridden within the school grounds. We do not encourage children to bring their phones to school unless there is a valid reason to do so. All phones must be handed in to the class teacher or to the office. School accepts no responsibility for loss or damage to mobile phones, bikes, scooters or other valuables.

Please complete this form and return it to the school office as soon as possible.

Yours sincerely
