Brampton Ellis
Church of England Aided Primary School

NOTICEBOARD

- Please note that for this term, P.E. will be every **Wednesday** (indoor) and **Monday/Thursday** (outdoor).
- Please ensure your child brings back their reading record **every day** so that we can record their points on our class reading chart.

Maths

Our maths focus this week is area and perimeter. The children have been learning how to calculate the area and perimeter of compound shapes and parallelograms, as well as how to calculate and draw rectangles using given areas and perimeters. We then looked at past SATs style questions.
We have also been focusing on developing our arithmetic skills and times tables knowledge.

Sparrowhawks

Literacy

This week, we have recapped our focus text, which is The Tempest, and developed our understanding of the characters involved. The children were then tasked with creating character descriptions of their chosen character. We have also looked at writing settings in preparation for our story writing next week.

History

Following on from last week's lesson, we recapped what we had learnt about some of the important figures and events from the Tudor period. The children then answered a set of questions to show how much they had understood and remembered.

Science

We have begun our new topic – Electricity! This week we have been learning about the different components of a circuit, including their functions and symbols.

PE

We really enjoyed learning the rules of Quidditch this week. The children did a great job of attempting to play an unfamiliar game. We then spent some time after the lesson evaluating what went well, what we might need to change and some of the skills we needed to practice.

Art

This half term, we are learning how to sketch portraits of William Shakespeare. Eventually, we will be using pen and ink to complete our portraits.

Please encourage your child to practise their **spellings** and **timestables** and **read** every night. Don't forget, they can log onto **TTR**. Please let me know if they've forgotten their usernames and passwords.Thank you.
