Dear Parents/Carers,

Planned Y6 Educational Visits

We have planned educational visits for Y6 children for this academic year. We hope that by sending this information out early in the year it helps you to plan ahead. We appreciate parents need more time to plan with the cost-of-living crisis currently impacting on all our finances. Educational visits not only offer learning to strengthen curriculum knowledge but they help to improve children's social and emotional wellbeing as well as offering them a wide variety of experiences.

22.10.25-24.10.25- Residential

Year 6 children will be visiting PGL Dearne Valley as part of their wider curriculum learning on teambuilding, resilience, trying new things and developing skills and independence. A residential is a great opportunity for children to experience new and exciting things and push themselves with new challenges. Please note, this has already been prebooked and we can no longer take any new children.

How this links to our children's learning:

- PSHE curriculum: resilience and managing challenge, physical health, risk management and safety, teamwork, friendships and living in the wider world.

21.1.26- Mosque Visit- Sheffield Madina Mosque and Millennium Gallery

As part of our RE curriculum, we would like the children to visit a mosque to widen their understanding of different beliefs and faiths. As part of our cultural offer, we would also like to use this opportunity to visit the Millennium Gallery.

How this links to our children's learning:

- RE curriculum: children see a place of worship and find out more about life as a Muslim.
- Geography: children will find out about people's thoughts on their local area.
- Children will learn about conducting themselves in public, public speaking and safety in public.

Nottingham Justice Museum June 26th 2026

Year 6 children will visit the Justice Museum as part of their Crime and Punishment topic. Children will take part in a court experience and explore the museum.
