

*We will aspire to great things, shine our light and reach our God given potential.
'let your light shine.' (Matthew 5:16)*

Friday 7th November 2025

Dear Year 6 Parents and Carers,

Thank you very much to the 63 parents and carers who completed last half term's survey about the Year 6 end-of-year celebrations. We really appreciate your feedback and the time you took to share your views.

I am pleased to let you know the outcomes of the survey:

- 65% of respondents voted for a disco and buffet, so this will be our plan for the Year 6 celebration event in school.
- 63% of respondents also voted for school to contribute towards the cost of the celebratory visit to Gulliver's, while 38% voted for the school to subsidise the cost of leavers' hoodies instead.

As a result, we will go with the majority view and contribute towards the cost of the visit to Gulliver's. This does mean that we will not be facilitating leavers' hoodies this year.

I understand that some families may be disappointed with this decision. As many of you are aware, public sector finances — particularly for schools — are extremely tight, and unfortunately, we can't fund every option. The majority of responses showed a clear preference for the Gulliver's visit, and we feel this will be a memorable and enjoyable experience for the children to share together.

If any parents are thinking about organising hoodies themselves, I'm happy for these to be worn as part of the school uniform after May half term, provided they are in the school colour (royal blue).

The school will be more than happy to work with any parents organising this to help them get the best possible deal from suppliers.

Please do get in touch with Mrs Magrath if this is something you are thinking of pursuing.

Thank you again for your continued support and for helping us make these decisions in partnership. We are really looking forward to celebrating the children's achievements as they reach the end of their time in Year 6.

Kind regards,

Adam Minor

Headteacher
